

Business insurance coverage checkup

How has your business changed over the past year?

Because you probably wear many hats each day, you may not be thinking about how changes to your business can impact the type and amount of insurance coverage needed to protect it.

It's a good idea to review your insurance needs annually, so please take a few moments to complete the

checklist below. Answering these questions will help to identify whether your existing business insurance coverage is appropriate or if changes are necessary.

The reverse side of this checklist includes additional coverages you should consider.

Coverage checklist

But that's not all ...

Below are additional coverage options that can help protect your business. Consider each statement and check the ones you're interested in hearing more about. Your agent can assist you in determining which of these options are just right for your business.

I want to know more about insurance that will help ...

Replace my lost business income if:

- I need to suspend operations due to the direct physical loss of power, communication or water services.
(Off Premises Utility Services coverage)
- The third party I rely on for a large portion of my business income (e.g., supplier or manufacturer) is unable to provide inventory or products due to a covered property loss at their location. **(Dependent Properties coverage)**
- One of my largest customers suspends operations due to a covered property loss.
(Dependent Properties coverage)
- I use the Internet to generate a portion of my income, and my website is vandalized – prohibiting me from generating that income. **(Electronic Vandalism coverage)**
- After resuming operations following a covered loss, I do not regain the income level that existed prior to the loss.
(Extended Business Income Coverage)

Protect me if:

- The sensitive personal information (e.g., Social Security number, debit/credit card information, medical records/charts) I collect and/or store on my employees, customers and/or patients is lost or stolen.
(Data Breach coverage)
- I am sued by one of my employees for an employment-related claim, such as discrimination, harassment or wrongful termination. **(Employment Practices Liability coverage)**
- An error or omission is made in the administration of the employee benefits program available to my employees, such as improper benefits advice or failing to enroll an employee when they're eligible. **(Employee Benefits Liability coverage)**
- I suffer a financial loss because an employee or 3rd party steals money or property owned by my business. This coverage includes wire transfer fraud, electronic funds transfer fraud and computer hacking. **(Crime coverage)**
- The computers, data and software used in my business need to be repaired or replaced due to a computer virus or power failure, for example. **(Computers & Media coverage)**
- I am sued because one of my employees was in an accident while running an errand for my business such as picking up office supplies, or picking up/dropping off mail at the post office. **(Hired & Non-Owned Auto coverage)**
- I am accused of Intellectual Property violations (copyright infringement, trade secret, patent) OR a competitor infringes on the intellectual property that I own.
- My online presence is compromised by a hacker (Cyber Risk) or my online presence causes injury to a 3rd party (transmittal of a virus, access to my site is compromised).
- I am sued and my business owner's policy doesn't fully cover the amount I am liable to pay. **(Umbrella coverage)**

Cost saving options

Many of the coverages offered as optional are also available as industry-focused, cost-effective packages. This approach provides the flexibility to tailor an insurance program that meets your unique needs while giving you the best option for your insurance dollar.

This document contains only general descriptions of coverages which may be provided and does not include all of the features, exclusions, and conditions of the policies it describes.
